# **From the Principal's Desk**

**Dear Parents, Students, and Members of the AILT Global Academy Family,**

Assalamu Alaikum Wa Rahmatullahi Wa Barakatuh,

It gives me immense pleasure to welcome you to the Academic Year 2026–2027 at AILT Global Academy.

As we begin another exciting academic journey, we reaffirm our commitment to providing an educational experience that goes beyond textbooks and examinations. At AILT, we believe that true education is the balanced development of the mind, character, and personality of a student.

Our educational framework is built upon three integrated dimensions:

## **Academic Excellence, Islamic Education, and Holistic Development.**

Through our academic program, we strive to cultivate strong subject knowledge, critical thinking, problem-solving abilities, and examination readiness. Our goal is not only to help students achieve excellent results but also to develop a lifelong love for learning.

Through our Islamic education program, we nurture students with the guidance of the Holy Qur'an, Sunnah, Akhlaq, Adab, and Islamic values. We believe that academic success must always be accompanied by strong character, sincerity, responsibility, and a conscious relationship with Allah سبحانه وتعالى.

Through our holistic development initiatives, we prepare students for the challenges of the modern world by developing leadership skills, English communication, confidence, teamwork, innovation, entrepreneurship, physical fitness, and social responsibility.

At AILT Global Academy, we envision every student as a future leader. We encourage our students to think independently, communicate effectively, act responsibly, and contribute positively to their families, communities, and society.

The Academic Year 2026–2027 has been carefully designed to provide a balanced blend of academics, Islamic learning, leadership development, sports, co-curricular activities, innovation programs, and character-building experiences. Every activity included in our annual calendar serves a meaningful educational purpose and contributes to the overall growth of our students.

We firmly believe that the partnership between school and parents is essential for student success. Your support, encouragement, and active involvement play a vital role in helping our students achieve their full potential.

As we move forward together, let us work collectively to create an environment where our students grow into knowledgeable, disciplined, confident, morally upright, and future-ready young leaders.

May Allah سبحانه وتعالى bless this academic year with success, barakah, knowledge, wisdom, and positive growth for every member of the AILT family.

We look forward to an inspiring and productive year ahead.

**With warm regards,**

**Mr. Rahim H. Sodha**

# Director's Message

**Dear Parents, Students, and Members of the AILT Global Academy Family,**

Assalamu Alaikum Wa Rahmatullahi Wa Barakatuh,

It is with immense gratitude to Allah سبحانه وتعالى and great optimism for the future that I welcome you to the Academic Year 2026–2027 at AILT Global Academy.

At AILT Global Academy, we believe that education is far more than the pursuit of academic success. True education is the balanced development of knowledge, character, faith, leadership, and life skills. Our mission is to nurture young individuals who are academically competent, morally upright, spiritually grounded, and prepared to lead with confidence and responsibility.

The world our children will inherit is changing rapidly. Success in the future will require more than examination results alone. It will require strong values, effective communication, adaptability, leadership, critical thinking, and the ability to contribute positively to society. Therefore, our educational approach is built upon three integrated foundations:

## **Academic Excellence, Islamic Education, and Holistic Development.**

Through our academic program, we strive to cultivate intellectual curiosity, strong subject mastery, analytical thinking, and excellence in board examinations. We are committed to maintaining high academic standards while helping students discover their unique strengths and potential.

Through our Islamic education program, we seek to develop students who embody the teachings of the Holy Qur'an and Sunnah. Our focus extends beyond classroom instruction to the cultivation of Akhlaq, Adab, sincerity, discipline, responsibility, and a lifelong connection with Islamic values.

Through our holistic development initiatives, students are provided opportunities to grow as confident communicators, future leaders, innovators, entrepreneurs, athletes, and responsible citizens. We believe that every child possesses unique talents that must be discovered, nurtured, and developed.

The Academic Year 2026–2027 has been carefully planned to ensure a healthy balance between academics, Islamic learning, leadership development, character education, sports, innovation, and student well-being. Every program, activity, assessment, and event included in our annual calendar has been designed with a clear purpose—to support the complete development of our students.

I firmly believe that meaningful education is achieved through a strong partnership between school and home. The trust that parents place in us is both an honour and a responsibility. Together, we create an environment where students feel supported, challenged, inspired, and empowered to achieve excellence.

To our students, I encourage you to embrace every opportunity with enthusiasm, discipline, and determination. Challenge yourself to learn, grow, serve others, and become the best version of yourself. Remember that success is not measured solely by marks and grades, but also by the values you uphold, the respect you show, and the positive impact you create.

As we begin this new academic year, let us work together to build a generation of knowledgeable, confident, compassionate, and God-conscious young leaders who will contribute positively to their communities and the world around them.

May Allah سبحانه وتعالى bless our students, parents, teachers, and the entire AILT family with success, wisdom, barakah, and continued growth throughout this academic year.

**With vision, purpose, and gratitude,**

**Dr. Basheer Ahmad Nizami**

## MAY 2027

# Reflection, Admissions & Future Planning Month

As the academic year draws to a close, the month of May serves as a period of reflection, planning, and preparation for the journey ahead. While students enjoy their summer vacation, the school remains actively engaged in evaluating academic progress, strengthening institutional systems, preparing for the upcoming academic year, and welcoming new families into the AILT community.

---

## Summer Vacation

 03 May 2027 – 06 June 2027

Students are encouraged to utilize this period productively by engaging in reading, personal development, family bonding, physical activities, and spiritual growth. Parents are requested

to ensure that students maintain healthy routines and continue developing positive habits during the vacation.

---

## **Academic Review & Planning**

During May, the Academic Leadership Team conducts a comprehensive review of the completed academic year, including:

- Student performance analysis
- Board examination review
- Promotion and placement planning
- Curriculum enhancement
- Academic goal setting for 2027–28

This process helps ensure continuous improvement in teaching and learning outcomes.

---

## **Admissions & Parent Interaction**

The Admissions Department remains operational throughout the month to assist prospective parents and students.

Activities include:

- Admission interviews
  - Campus visits
  - Parent counselling sessions
  - Academic guidance meetings
  - Orientation for newly admitted families
- 

## **Teacher Development & Curriculum Planning**

Our educators dedicate this period to professional growth and preparation for the new academic year through:

- Teacher training workshops
  - Curriculum planning meetings
  - Academic resource development
  - Lesson planning and syllabus mapping
  - Student support strategy discussions
- 

## **Islamic Reflection & Character Development**

## **Monthly Theme:**

### **Muhasabah (Self-Reflection) & Renewal**

Students are encouraged to:

- Reflect upon their achievements and areas for improvement
  - Express gratitude to Allah ﷻ for the blessings of the year
  - Strengthen daily acts of worship
  - Set personal, academic, and spiritual goals for the upcoming year
- 

## **Parent Guidance**

Parents are encouraged to:

- Review their child's academic progress
  - Encourage reading habits during vacation
  - Promote responsible use of technology
  - Support healthy routines and Islamic practices
  - Prepare students mentally and emotionally for the new academic year
- 

## **Preparing for Academic Year 2027–28**

Throughout May, AILT Global Academy undertakes extensive preparations to ensure a smooth and successful reopening in June, including:

- Campus maintenance and upgrades
  - Hostel readiness preparations
  - Classroom and resource planning
  - Student support planning
  - Academic calendar finalization
- 

## **A Message to Our Parents**

The completion of an academic year is not merely the end of a journey—it is an opportunity to celebrate growth, acknowledge achievements, and prepare for new beginnings.

We sincerely thank all parents for their trust, partnership, and support throughout the year. Together, we continue to nurture students who are academically capable, morally grounded, spiritually conscious, and prepared to become future leaders.

**We wish all our students and families a safe, productive, and blessed summer vacation.**
